

# APPLICATION TIPS:

**Youngblood Mineral Compact Foundation** is Talc Free and contains Rice Powder to absorb oil, making it the "ideal" foundation choice for the client with oily skin. It is also excellent for all skin types for touch-up.

**For maximum coverage:** apply with the sponge.

**To minimize pores and achieve full coverage:** apply compact first and then dust YB Loose Mineral Foundation over the liquid.

**For lighter coverage:** utilize the YB Super Powder Brush.

**For a soft matte appearance or slightly heavier coverage:** dust over YB Liquid Foundation.
