

APPLICATION TIPS:

To prime face for long-lasting oil control: apply rice powder with sponge or brush over desired areas, then apply foundation.

To reduce appearance of large pores: apply with cosmetic sponge before makeup application. Stipple and roll sponge to set the product.

To achieve matte finish when using the Natural Mineral Loose Foundation: blend 2 parts foundation with 1 part rice powder. Apply with brush for shine free coverage.

To set makeup for long-lasting wear: simply dust Mineral Rice Setting Powder over your foundation with large fluffy cosmetic brush.
